Who we are

Cedrus Group Africa is a globally-minded, Pan-African, financial and investment institution committed to delivering innovative financial advisory solutions to municipalities, corporations, institutional investors and private clients across Africa and in the diaspora.

We provide strategic advice, guidance and execution excellence for our clients' transactions, loans and ownership matters, using the practical experience, expertise and deep analytical skills of our veteran financial advisors. Our dynamic team and board of directors have over 130 collective years of experience providing best-in-class consulting and advisory services, also returning outsized returns to investors from a myriad of investments within Africa and around the world.

Our vision is to become a trusted Pan-African financial institution that provides world-class and cutting-edge investment solutions for all our clients.

We believe greatly in the fact that regardless of its current state, our continent Africa is a massive frontier with so many untapped opportunities for wealth generation and growth. We are therefore dedicated to creating solutions that facilitate the investment process for African entities and individuals as well as investors interested in Africa's appealing investment opportunities. We achieve this through identified platforms that aid our delivery to the needs of our clients.

Why Cedrus Group?

We have vast experience in global financial markets, and are key players in the current wind of innovation and disruption within the sector in Nigeria and across Africa.

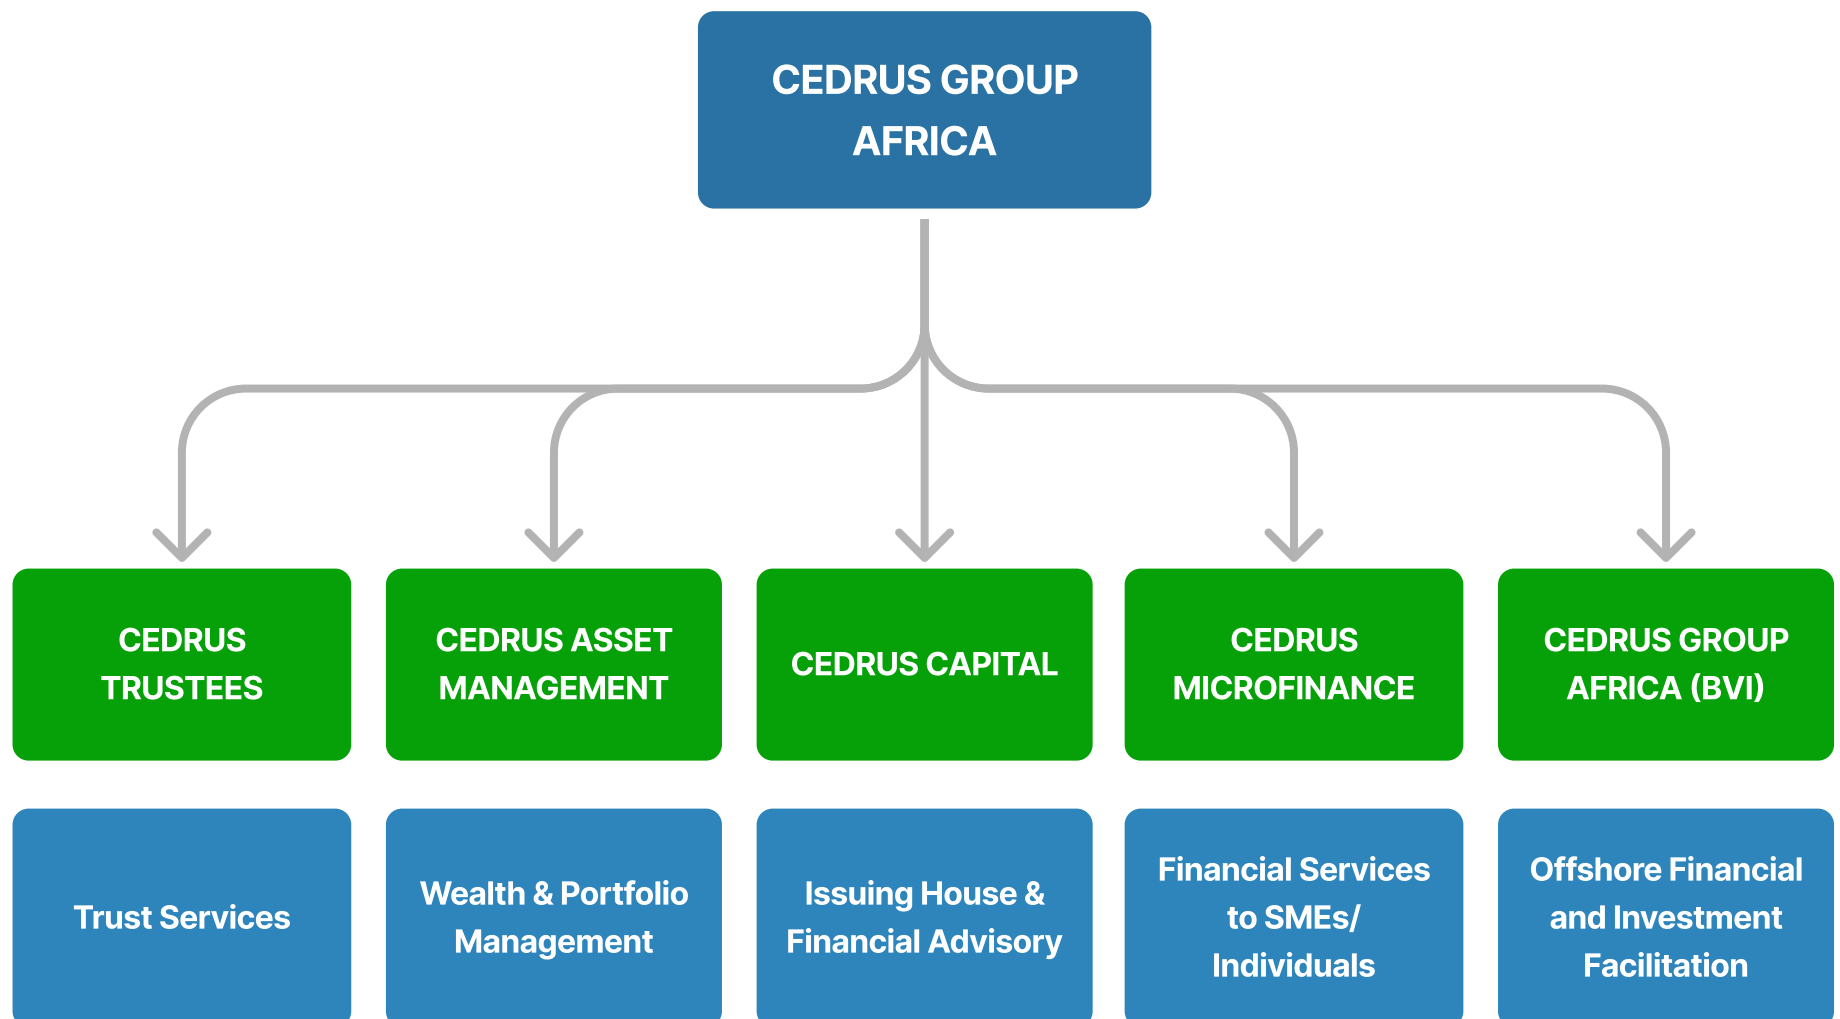

Vision

To become a trusted Pan African financial institution that provides world-class and cutting-edge investment solutions for all our clients.

Mission

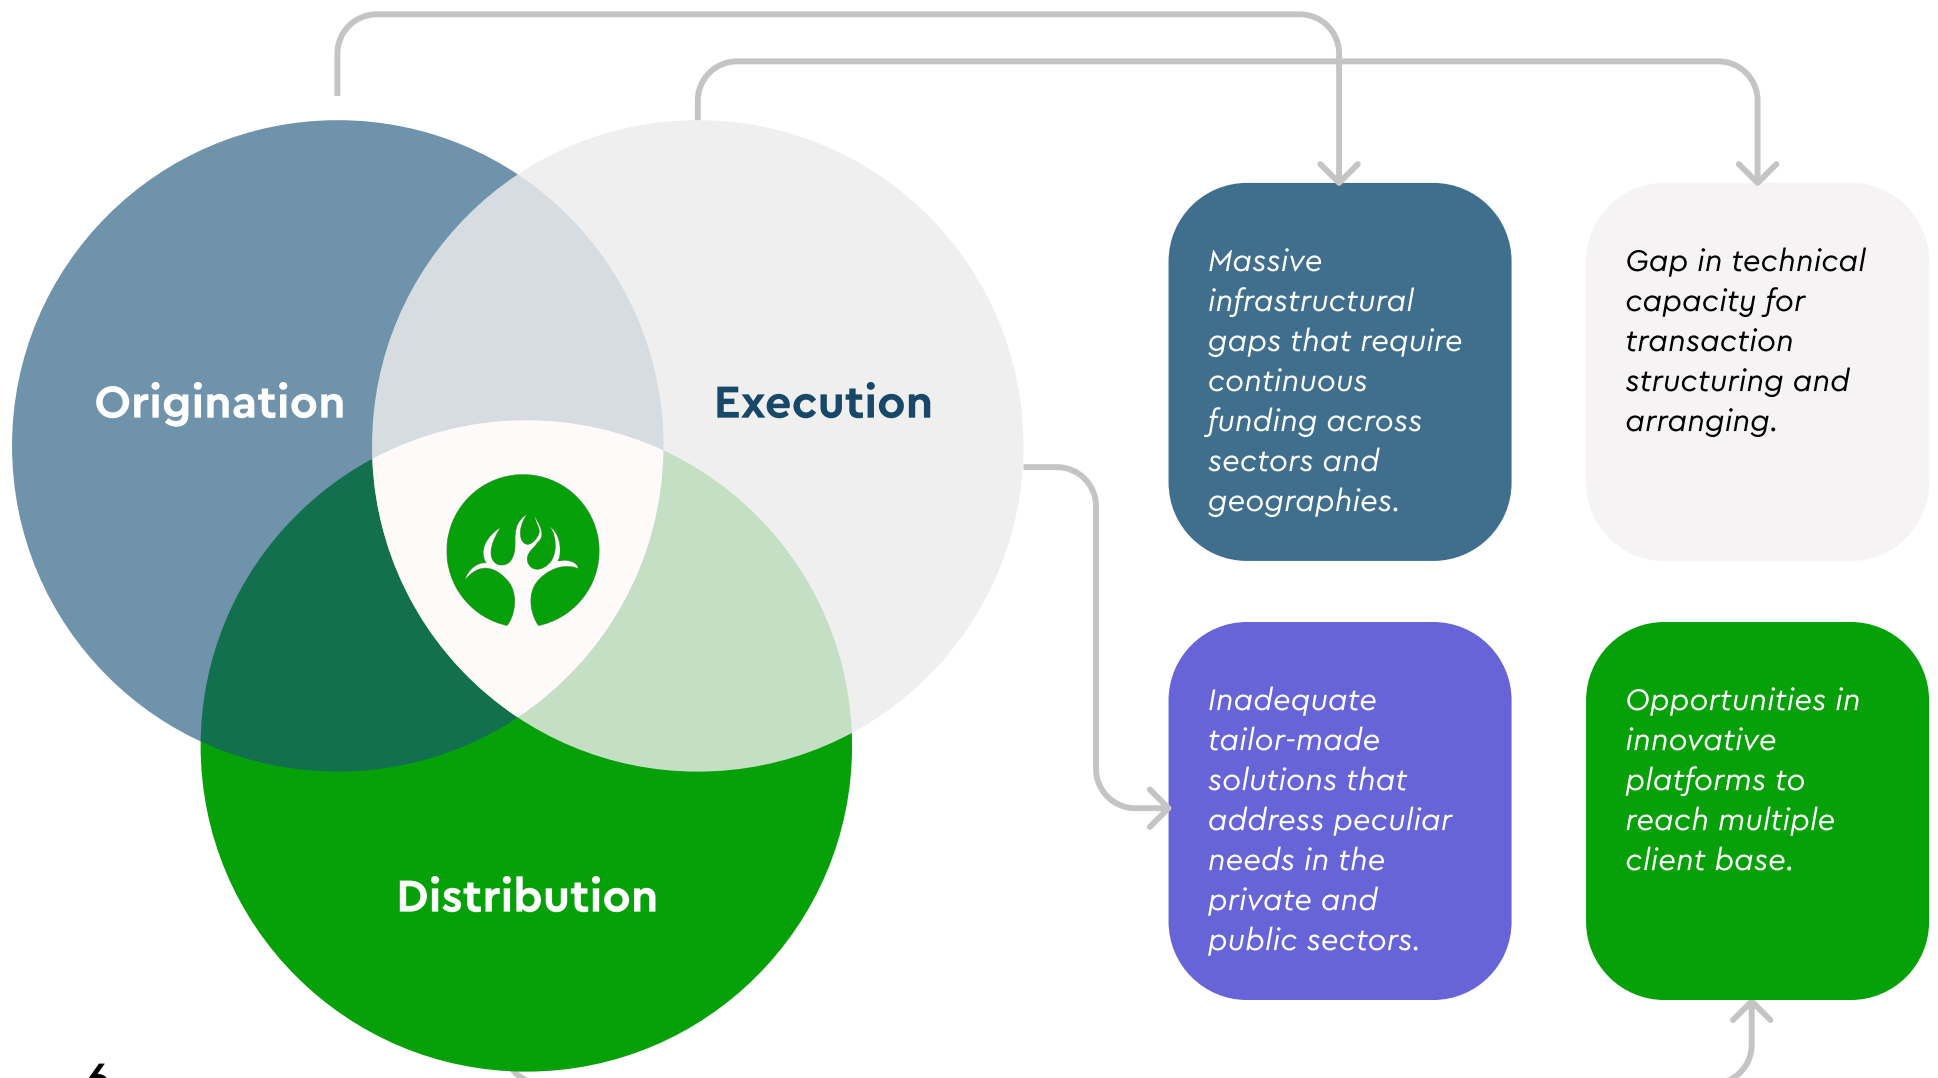

To deploy innovative and collaborative solutions tailored towards the attainment of our clients' goals, delivered seamlessly through the professionalism and expertise of our people.

Group Structure

Our Process

We analyse the markets painstakingly to determine the best amongst competing opportunities.
